REMEMBER

Mr. Jim Watts

We the 1985 Annual staff would like to recognize a faculty member who has greatly contributed to the success of B.H.S. This teacher is originally from Bowdon, GA, where he still lives. He received his Masters Degree at West Georgia College in Business Administration and Art. He presently teaches Art and Photography.

We also want to recognize and show our appreciation for some of the special things he does for us here at B.H.S. He sponsors the yearbook, and he takes many of the pictures featured in these yearbooks himself. During football season, he drives the cheerleaders to the various game locations. This year he also sponsored a group of seniors on a 4-day cruise to the Bahamas. Therefore, we would like to dedicate this 1985 annual to Mr. Jim Watts for a job well done.

Dear Students:

To the seniors, today is the tomorrow you thought would never come. I hope that we, at Bremen High, have given you knowledge that will help you solve the problems of the tomorrow that will come for each of you.

To the underclass students, I challenge you to carry on the rich tradition that Bremen High School has enjoyed throughout the years. Prepare yourself for the complex world of technology and computers that you will be faced with in the future.

Good luck and best wishes.

Sincerely,

James D. Harris

To: Bremen High School Seniors and Student Body

You have a life of twelve years in education to look back on, and I know that memories from those years will remain with you in the days ahead. Of course not all of the times were good times but neither were they all bad. Rather, they were like all of life, a mixture of hills and valleys, ups and downs, that make up a span of years. Yet, as we look back even now the unpleasant fades into the background and that which was good and worthwhile remains vivid and clear.

And there was so much that was fine. We have seen you students grow and mature, we have seen our school system grow and develop. We have seen education itself grow into a powerful and dynamic force. We were a part of it all, however small, gives me the greatest of pleasures, and I am thankful to be a part of your days at Bremen High School.

This year's Bremen football team worked very hard. They went to camp in Clinton, South Carolina, and practiced hard to get ready for the challenges that awaited them. They started off slowly, but after a few changes and adjustments, they wound up with a 9 win and 3 loss record. When the smoke cleared, Bremen had placed second in region 6-A. The 1984 Blue Devil season was a good one which will long be remembered by the team, the coaches, and the fans.

This year's Bremen High School Band was marked by many hours of hard work and a renewed enthusiasm in music. In early August, the band attended camp at Jacksonville State University where they studied under instructors and professors for an entire week. Besides providing plenty of Blue Devil Spirit and half-time entertainment at all the football games, the marching band attended three competitions at Central of Carrolton, Rome, and Columbus. The band and auxillary groups brought home 19 superior trophies for first in class by the Drill Team and drum-line.

The Concert Band attended the G.M.E.A. Festival and brought home a III rating in performance and sight-reading. The Concert Band also performed in Orlando, Fla. and at graduation exercises.

The 1985 Bremen Varsity Boys Basketball Team, coached by Steve Lambert, hustled it's way to the best regular season record (13-7) in six years. The team was characterized by hustle, aggressiveness, team work, and very good attitude by all players.

With 9 of the top 10 players returning and with sub-region rivals Bowdon (7 seniors) and Temple (4 seniors) losing nearly their entire teams to graduation, the future looks very bright according to Coach Lambert. "I believe we will have a very good shot at winning the region championship during the next three years.

EXCITING MOMENTS

SPORTS

H O M E C O M I N G

Homecoming 1984 was a time of celebration for the graduates, students, and supporters of Bremen High. It began with a pep rally at the gym, and the festivities spilled over into the streets of Bremen with a vivacious parade. The parade was full of colorful floats which displayed a central theme—"Beat Redbud". The 8th. grade's float ran away with first place. Their float was called Cardinal Bust-ers. The excitement was building, and everyone was looking forward to the game and the crowning. The game began with a circling of the representatives around the field and then a fierce battle of wit and heart took place. When halftime arrived everyone was ready to find out who would become the new Queen. The senior representatives were Paige Smith, Kim Driver, and April Anderson. Kim was the lucky one who became queen, and everyone was elated. The evening came to a close with a impressive victory over Redbud, fourteen to six.

SWEETHEART DANCE

The student Council made the gym look fantastic with all their enthusiasm, artistic talents, and brilliant ideas. People dressed in their suits and frilly dresses, moved their feet in rythm with the music provided by the band "Rock it". The boys had a hard decision between the three attendants, but Julie Shadrix was picked Sweetheart Queen for 1985. Stacy Codner was first attendant and Lynn Stanford was second attendant. Julie was crowned by the former Sweetheart Queen Susan Truitt. The dance was filled with plenty of young energetic teenagers wanting to have a good time. It was a wonderful night that will not be soon forgotten by those who attended the dance.

We the annual staff would like to tell you a little about what we do. Write copy, crop pictures, type copy, arrange picture dates, collect money, but most of all, we meet deadlines. Sounds confusing doesn't it? We do it for YOU! We hope we have collected some memories for you in this book and you can look back at this as "A TIME TO BE REMEMBERED."

Jonny,

What "cha" been doin'? Me? I've been sitting here for about ten minutes trying to figure out exactly what to write! I'm still not sure, but I'm gonna try and do my best!

I'm glad that we've become friends in the past year. I didn't know you all that well before you came up to the high school and I still don't know you as much as I would like to! I hope that we can stay friends throughout the years of school we will have together. I do hope that I get to know a little more about you!

You're lucky that you're not like your darling cousin Scotty and his sweet friend Shane! ##,##! I hope that you never turn out to be anything like him! If you do I just may not continue to be friends with you, but I really don't think you'll turn out anything like him! Maybe you'll be crazy like him (as you already are.) You know what I mean when I say, 'don't turn out like him!'

Stay the way you are & you'll go far, in life!
You're a great friend to have!

There's not much more room to write so I'll end it all here! I hope we stay friends forever! You are a very sweet ~~and~~ cute, and lovable guy!

Gotta Run!

Best of Luck
in the years to
come! (in everything!)

Love ya Always!,
